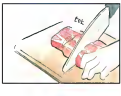
Are you free next evening?

We're going sea fishing, so you better come. Bring Daul too!



It's okay. He told me to bring you.

It's okay. Everybody is shy~

In this village,
We gave gifts by gathering together and eating delicious food

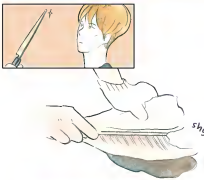
If you don't even surf well than it isn't worth the sunburns and hair damage. She'll only last a month...

We thought she would
be gone by now.



Of course, she's my favorite pupil
Wasn't your favorite pupil?

Cuz you were definitely not.
Not even close.

What does it take to be a favorite pupil?

It's up to the teacher.

How about you
Hyun Joo?
Sure!

One
condition..

Condition?

She has to participate in a surf competition!

Regardless of the results she'll find her passion while training.

Wow~
That's a good idea.
Clap
Clap

I don't think I'm ready to enter a competition.

You're not aiming for first. You're just participating!

If there aren't any waves on the competition day.
Then it should be a reckless match

Right!! I'll teach you paddling!
Let's paddle to the lighthouse everyday
Jump!
Jump!
But...

Yes! We have three votes!
How about you master?

Surfing alone can be robbery.

But surfing with a crew is fun.
